Reconstruction of Facial Defects with Local Skin Flaps

Presents an exclusive one day course in

Course date
 2nd November 10am - 5pm
Course fee
 £250

About the course
 A number of exercises have been devised so that Trainees/Advanced Nurse Practitioners and Consultants in Plastic, ENT and Maxillofacial surgery can complete a variety of facial soft tissue surgery simulations based on the more common skin flap procedures encountered.

The course provides

- Instruction in the use of instrumentation
- Physiology of skin healing, ageing and atrophic lines of the face
- Hands-on practical anatomical and surgical skills experience
- An attendance certificate

Course Faculty
Ceoff Chiu
 Course Leader, Consultant Oral and Maxillofacial Surgery at Royal Bolton Hospitals Foundation Trust

Educational aims

- Delegates will be working individually on high level covering the following:
 - Advanced experience of simulating:
 - Rhinobulbar Flap, Lobster Flap, Rotation Flap
 - VZ Flaps

Andrew Goodall
 Specialist Registrar in Oral and Maxillofacial Surgery at Royal Bolton Hospitals
